Contracts to Be Let

Bids received until June 29, 1915.

Water-Works, Pump Station, Reservoir and Mains

Rittman, Ohio.

Sealed proposals will be received by the Clerk of Council, at Rittman, Ohio, in the Council Chamber, until 1 o'clock P.M., Central Standard Time, of the 29th day of June, 1915, and then publicly opened and read, for the construction of a Water-Works for the Village.

The work to be done includes the construction of a pump station, 200,000-gallon reinforced-concrete reservoir, and approximately 8 miles of water mains, 4" to 8" in size.

Bids will be made on the work as a whole.

Each proposal shall be accompanied by a certified check for ten (10%) per cent. of the amount of the proposal, or by a bond with surety satisfactory to the Village Council.

The contract bond will be for fifty (50%) per cent. of the amount of the contract.

Copies of the plans, proposal forms, specifications and forms of bonds and contract can be seen at the office of the Clerk of Council, Rittman, Ohio; or may be obtained by prospective bidders upon depositing Ten ($10.00) Dollars with W. F. Peters, Engineer, Medina, Ohio, or R. Winthrop Pratt, Consulting Engineer, Hippodrome Bldg., Cleveland, Ohio, which sum will be refunded upon the return of plans and specifications within ten (10) days after the contract is awarded, if same are in good condition when returned. Copies of the specifications alone may be obtained upon depositing Two ($2.00) Dollars.

The Village Council reserves the right to reject any or all bids, waive any informalities in the bids received and to accept any bids which it deems most favorable to the Village of Rittman, Ohio.

By order of the Village Council.

VANCE HICKIN, Clerk.

Bids received until July 1, 1915.

Proposals for Street Paving

Lebanon, Penn., June 15, 1915.

Sealed proposals will be received by the Mayor and Council of the City of Lebanon, Pa., until 5 o'clock P.M. on the 1st day of July, 1915, for furnishing all materials and doing all work necessary for the complete construction of about 4,000 square yards of street paving on 8th Street between the N. side of the tracks of the Philadelphia & Reading Railroad Co. and the N. side of Lehman Street. Separate proposals for the paving of 9th Street from the S. side of Chestnut Street to near the S. rail of the Philadelphia & Reading Railroad Co.'s tracks, comprising about 12,400 square yards of pavement, and a separate proposal on Lehman Street from the E. side of 4th Street to the W. side of 9th Street, comprising about 8,300 square yards of pavement. The above quantities are approximate only.

Specifications, forms of proposals, envelopes, etc., may be obtained from the office of the City Engineer. A certified check on a solvent bank must accompany each bid. Three hundred and sixty dollars for the 8th Street, Eleven hundred dollars for the 9th Street and Seven hundred and fifty dollars for the Lehman Street bid. All checks must be drawn in favor of the City of Lebanon, Pa. The payments for the cost of paving and curbing the said highways shall be from amounts to be collected by the City Treasurer from property owners whose land fronts or abuts on said highways upon the basis authorized, and that the City of Lebanon shall under no circumstances be held responsible for the payment of any part of the cost of said improvements except as to the cost of paving intersections of said streets and alleys and the paving or curbing in front of properties exempt by law from the paying of said improvements.

The right to reject any or all bids or parts of bids is hereby reserved. Address communications to

T. R. CROWELL, City Engineer.

Attest: DAN M. SHARP, City Clerk.

Bids received until June 29, 1915.

Water-Works Pumping Equipment

Rittman, Ohio.

Sealed proposals will be received by the Clerk of Council, at Rittman, Ohio, in the Council Chamber, until 1 o'clock P.M., Central Standard Time, of the 29th day of June, 1915, and then publicly opened and read, for Water-Works Pumping Equipment.

The work to be done includes a 50 H.P. horizontal gas engine, a triplex pump of 400 gallons per minute capacity, 2 air compressors, motor driven multi-stage centrifugal pump, of 200 gallons per minute capacity, and other necessary pumping equipment.

Bids will be made on the work as a whole.

Each proposal shall be accompanied by a certified check for ten (10%) per cent. of the amount of proposal, or by a bond with surety satisfactory to the Village Council.

The contract bond will be for fifty (50%) per cent. of the amount of the contract.

Copies of the plans, proposal forms, specifications and forms of bonds and contract can be seen at the office of the Clerk of Council, Rittman, Ohio; or may be obtained by prospective bidders upon depositing Five ($5.00) Dollars with W. F. Peters, Engineer, Medina, Ohio, or R. Winthrop Pratt, Consulting Engineer, Hippodrome Bldg., Cleveland, Ohio, which sum will be refunded upon the return of plans and specifications within ten (10) days after the contract is awarded, if same are in good condition when returned. Copies of the specifications alone may be obtained upon depositing Two ($2.00) Dollars.

The Village Council reserves the right to reject any or all bids, waive any informalities in the bids received and to accept any bids which it deems most favorable to the Village of Rittman, Ohio.

By order of the Village Council.

VANCE HICKIN, Clerk.

Bids received until July 7, 1915.

Highway Work

OFFICE OF THE STATE COMMISSION OF HIGHWAYS,

Albany, N. Y.

Sealed proposals will be received by the undersigned at their office, No. 55 Lancaster Street, Albany, N. Y., at 1 o'clock p.m. on Wednesday, the 7th day of July, 1915, for the repair of highways in the following counties:

Albany (two contracts—resurfacing); Broome (one contract); Cayuga (two contracts—Resurfacing and Surface Treatment); Columbia (4 contracts—Surface Treatment); Delaware (one contract—Surface Treatment); Dutchess (one contract—Resurfacing); Erie (one contract—Resurfacing); Franklin (one contract—Surface Treatment); Greene (one contract—Surface Treatment); Herkimer (one contract—Resurfacing); Madison (one contract—Resurfacing); Monroe (one contract—Resurfacing); Oneida (5 contracts—Resurfacing and Surface Treatment); Ontario (two contracts—Resurfacing and Surface Treatment); Orange (one contract—Surface Treatment); Rensselaer (one contract—Resurfacing); Rockland (two contracts—Resurfacing); Saratoga (one contract—Resurfacing); St. Lawrence (two contracts—surface treatment); Schenectady (one contract—Surface Treatment); Suffolk (one contract—Surface Treatment); Westchester (one contract—Surface Treatment).

Maps, plans, specifications and estimates may be seen and proposal forms obtained at the office of the Commission in Albany, N. Y., and also at the office of the Division Engineers in whose divisions the contracts are to be repaired. The addresses of the Division Engineers and the counties in which they are in charge will be furnished on request.

The especial attention of bidders is called to "Information for Bidders" in the itemized proposal, specifications and contract agreement.

EDWIN DUFFEY, Commissioner.

I. J. MORRIS, Secretary.
